Good morning,

Please join the office of Councilmember Mitch O'Farrell, District 13, and other City departments at an informational meeting of tour operators who utilize the Hollywood area.

The meeting will feature a discussion of **NEW** parking restrictions that will be put in place between Highland and Sycamore Avenues, as well as some nearby side streets, as part of a pilot project that will take place in Summer 2015. As part of this pilot project, several parking areas and restrictions on Hollywood Boulevard (b/w Highland & Sycamore) and nearby streets will be reorganized for better overall operations and efficiency.

All tour operators in Hollywood are invited and strongly encouraged to attend. Please RSVP to me as soon as possible if you would like to join us for this meeting.
